

REMARKS

The Examiner is thanked for the allowable subject matter of Claims 33-39, 42, and 43. The Examiner has objected Claims 33-39, 42, and 43 as being dependent upon a rejected base claim, and has stated that such claims "would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims." Applicant respectfully asserts that the independent claims have been amended to at least substantially include the subject matter of former Claim 36.

Thus, all of the independent claims are deemed allowable. Moreover, the remaining dependent claims are further deemed allowable, in view of their dependence on such independent claims.

In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 505-5100. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 50-1351 (Order No. UDL1P017).

Respectfully submitted,
